In reference to an excellent illustration of his wellthe many rumors affoat in regard to the known bluntness and directness of conduct of the paper under the new speech, and states squarely the question at issue between the government and the

Herr von Gerlach did not now know how to reconcile his allegiance to God with the loyalty he owed to the King. nang, and country alike in asserting the political and religious independence of his nation against Roman oppression and intrigue. If Herr von Gerlach had charged him with the intention of introducing a sort of political paganism into Germany, he was serving God, It is reported that the general offices of the Lawrence Leavenworth & Galveston road will soon be removed to Ottaducing a sort of political paganism into Germany, he was forced to tell him in reply that he had said what he knew to be false at the time. The question

Mr. E. P. Moulton, living seven miles at issue was not whether the country ration established by the Mormons as allowed them to be printed with impunity in the Parliamentary reports. The only object was to submit them to a por-

however, from the support of the clergy is not so paltry a matter, and, combined with the transfer of the administration of all ecclesiastical revenues to lay hands is a heavier blow to the Church than the Chancellor chooses to consider it. The measure has at least the merit of imparagainst them, or against the Ultramontanes, that it is aimed.

However much we may question some of the means and methods which Bis-We publish below the results of the marck and his associates have seen fit to crops already sown, and are now busy

l'honetic Congress.

The Gazette of January 1, 1875 conthere is not much to be hoped for from it, but peace would be a great blessing to Democratic rule as shown by their recent acts in states where they are in the majority. The prospects are that of the campaign in 1876 will be a bitter an effort to reform the management of the campaign in that State. It is claimed to Democratic rule as shown by their recent acts in states where they are in the majority. The prospects are that the campaign in 1876 will be a bitter one.

The style of linen coats this year will, all newspapers "to whom these presents that they either copy this shall come," that they either copy this attempt to the majority. The prospects are that the majority. The prospects are that the campaign in 1876 will be a bitter one.

CONNECTICUT.

The style of linen coats this year will, all newspapers "to whom these presents that they either copy this shall come," that they either copy this shall come," that they either copy this article, or say in their papers that "It is proposed to hold in Philadelphia, at the same time with the World's Fair, next year, commencing on the 10th of May, a Phonetic Congress, and all newspapers "to whom these presents that they either copy this shall come," that they either copy this shall come," that they either copy this shall come, "the they either copy this shall come," the they either copy this shall come," the they either copy this shall come, "the they either copy this shall come," the they either copy this shall come, "the they either copy this shall come," the they either copy this shall come, "the they either copy this shall come," the they either copy this shall come, "the they either copy this shall come," the they either copy this shall come, "the they either copy this shall come," the they either copy this shall come, "the they either copy this shall come," the they either copy this shall come, "the they either copy this shall come," the they either copy this shall come, "the they either copy this shall come," the they either copy this shall come, "the they eit New Haven, April 6.—The latest all those who favor spelling the English language as nearly as possible as it is

Geo. M. Sanders (Dem.) in the First glaringly inconsistent with its orthoepy, knows. Even those who have never what poor work ministers and lawyers

HARTFORD, April 6.—Ingersoll for Governor, has a plurality of 9,482, and a majority over all.

Guage.

We call upon all the friends of language reform throught the country, to agitate the matter through the press, by SENATOR OGLESBY in his speech in Connecticut told the people that altees to call state and national conventions if necessary during the coming summer, fall or winter, and organize a central executive committee with head-quarters in Philadelphia, whose duty it shall be to put things in train to ascer-tain who the friends of phonetic reform through the English speaking world are, and see that they are duly notified to appear by themselves or their represen-

tatives in the proposed congress.

This is a reform freighted with more good to mankind, because calculated to do more to enlighten the world, than any other that has claimed the public attention since the invention of the art of printing. Let the friends of human progress do all in their power to speed it on to a glorious success.— Wyandotte Ga-

Jadge Lowe-

enter upon his duties. The appointment is one of the best that General Grant has ever made, and what is more, it came to Judge Lowe entirely unsolicited. The people of Utah will find in Judge Lowe an able jurist, an henorable and high-minded man, and one who will keep the ermine of the judiciary unspotted.—Law-
